

Tilt-Up Category:
- Industrial - Non Industrial

Public Works: - Bridges/Tunnels - Infrastructure - Other

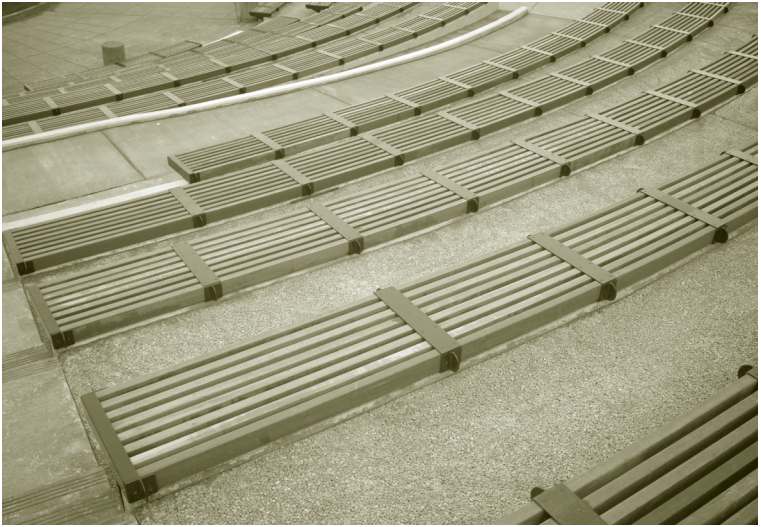

Manette Bridge Replacement

Concrete Paving: Streets/Roads/Intersections etc.

Architectural Concrete: Lake Washington High School

-Commercial / Non Commercial -Stamped, Colored
-Interior/Exterior -Stained Decorative
-Shot Crete

Pervious Concrete: Evergreen State College Pervious Amphitheatre

CALL FOR ENTRIES . . .

2014 Awards for Excellence in Concrete Construction

The Washington Aggregates and Concrete Association is pleased to formally recognize your professional accomplishments in the outstanding use of Ready Mix Concrete throughout Washington State.

Entries are juried by an independent panel of industry professionals comprised of 2013 award winners. Finalists and a category winner are selected from each of the categories. The Grand Award winner will be awarded to the category winner that best reflects the unique advantages of Ready Mix Concrete. In recognition of their contributions, our Concrete Awards will be presented to the Owner, Architect, Contractor, Structural Engineer, Concrete Contractor and Ready Mix Supplier.

SUBMITTAL GUIDELINES

- Projects must be located in Washington State.
- Projects are eligible for **2 years after their completion (from January 2012 to December 31, 2013).**
- Projects must be classified in one of eight categories; Cast in Place Structures, Special Applications, Public Works, Tilt-up, Concrete Paving, Residential, Architectural Concrete or Sustainable Merit.
- Precast elements must comprise 45% or less of total concrete within project, precast only projects are ineligible.
- Submit as many projects as you wish. Each entry should be in a separate binder with its own submittal form.

NEW

SUSTAINABLE MERIT CATEGORY

NEW

This category allows projects to be recognized for the significant contribution of ready mix concrete to meet Sustainable Design and Construction Ojectives, LEED criteria or other rating systems.

- Any project from any category is eligible and may also remain entered as an entry in their appropriate category.
- Provide a synopsis of sustainable credits or outcomes achieved.

Projects entered in the Sustainable Merit category should emphasize the direct contribution of concrete to meet project sustainable objectives and contributions to **LEED** credits or other rating systems. These include but are not limited to:

- Green roof systems, heat island reductions, solar reflectivity
- Elimination of interior finishes using natural or decorative concrete
- Exposed exterior wall and structure surfaces
- Pervious concrete products for stormwater management, sustainable site development
- Thermal mass strategies, engineering solutions to reduce HVAC, radiant heat, insulation
- Other “innovative” uses for improved indoor environment, site enhancement, energy efficiency, daylighting, etc.
- Recycled contents of materials, recycled applications, optimized mix designs

SUBMITTAL FORMAT

1. Binders, photography, and project descriptions shall be free of Firm names and logos.
2. Entry should be submitted in a single 8.5 x 11 - 3 ring binder or select the online submittal.
3. Complete the attached submittal form on the next page or select the online option @ www.washingtonconcrete.org.
4. A one page summary of project describing the advantages of using ready mixed concrete, such as durability, sustainability, economy, constructability, lifecycle benefits, project aesthetics, compatibility with project environment, etc. This must be written on plain, letterhead free 8.5 x 11 stationary with project name only.(10 DPI min.)
5. Quality photography. Select photographs that best represent your project in both finished and/or during construction phases.
-One (1) set of seven (7) digital photos. (JPEG Format 640X480 or larger resolution)/ 7MB maximum per image. A hard print of all digital photography (8x10) required in submittal binder. For best results use quality photo paper. No Walgreens or Costco Discs.
6. All binders and photography shall be retained by the Washington Aggregates and Concrete Association for publicity use at our discretion. Entries will not be returned.
7. Finalists will be notified by R.S.V.P. invitation to attend the Awards Presentation Banquet May 8, 2014. The winners in each category will be held confidential until the banquet. All entrants are invited to attend the banquet.

46th Annual Awards Banquet
Bellevue Hyatt Regency • Thursday, May 8, 2014

Cast In Place Category: SCCA Procure Center

- Concrete Frame Structures - Parking Garages

Special Applications: Artistic Merit:
East Bay Public Plaza

- Sustainable Merit - Technical Merit

Residential Category: Sprague Driveway

- Residential Structures
- ICF Construction
- Residential Decorative Interior
- Exterior Concrete: Driveways, Patios, etc.

Submittal Form

2014 AWARD FOR EXCELLENCE IN CONCRETE CONSTRUCTION

Deadline: All entries must be received by Friday, April 11, 2014, 3:30 p.m.

**Mail or deliver to Washington Aggregates and Concrete Association,
22223 7th Avenue South, Des Moines, WA 98198-6221**

**For online submittal information go to www.washingtonconcrete.org
For more information please call: (206) 878-1622**
