### Political Action Committee (PAC) Contribution Form

Your continued financial support of our legislative efforts allows your Association to work towards positive impacts for our industry. Many members generously contribute to the PAC at the Annual Summer Meeting by participating in the live and dessert auctions. For those who were unable to contribute at the Summer Meeting or wish to make an additional contribution, please complete the form below and return it with your check payable to WA Concrete Association PAC. A voluntary PAC contribution of 25% of your annual dues investment is suggested or an amount you would like to contribute to support Association legislative efforts.
