

2025 MSHA Spring Thaw Workshop

**MARCH
26, 2025**

Date: Wednesday, March 26, 2025

Begins at 9:30 AM

Location: The Cove, 1500 SW Shorebrook Drive, Normandy Park, WA 98166

Guest Speakers include the Vacaville Assistant District Manager, **Troy Mize**, Honeywell, **DJ Schmutz**, MSHA Safety Services, **Molly Martin**, USI, and **James Murphy**, Murphy Leadership Consulting. Topics include an open discussion with the Agency focusing on Agency messages and Q&A from miners and supervisors, safety, the silica initiative, mental health & opioids, total worker health, and workforce development.

The 2025 Spring Thaw is a great opportunity to be visible and present during an MSHA event and have your company represented. Please pass this on to all your plant locations, safety managers, supervisors, consultants, and key personnel.

Registration includes in-person attendance, morning coffee & tea service, and buffet lunch.

Lunch will be catered by Pecado Bueno and includes BBQ chicken and pulled pork sliders, SW coleslaw, mac & cheese, SW salad, and mini chicken and pork tacos with pico and habanero salsa.

Member Rate: \$85 | Non-member Rate: \$125
