2016 Excellence In Concrete Awards Banquet
Hyatt Regency Bellevue - Wednesday, April 27, 2016
Inspired by the leadership and momentum of Sustainable Construction in the Pacific Northwest, and created in part by members of the:

- Washington Aggregates & Concrete Association
- British Columbia Ready Mix Concrete Association
- Oregon Concrete & Aggregates Producers Association

A website devoted to exploring sustainable concrete Solutions has been developed by the Portland Cement Association and is now online.

The site contains a wealth of new information regarding Sustainable Concrete Solutions, resources, case studies, sample specifications, energy models, and tech briefs and is now available at the new PCA website.

Take the Sustainable Concrete tour today at: www.concretethinker.com
