PROJECT ELIGIBILITY & ENTRY DETAILS

Projects must have been completed between 01/01/18 & 06/01/20 and located in Washington State.

Please upload 7 - 20 high-quality project photos representing both finished and/or during construction phases. Drone or video footage may supplement project still photos. Please upload your drone footage into YouTube first, then share the link with us via your online entry. Please remove any company names from photos or video.

A 1-page project description highlighting your project and use of concrete is required. Judges rely on the quality of your project description and concrete elements.

MULTIPLE CATEGORY SELECTIONS

A project **MAY** be eligible for 2 categories and **MUST** include:

- A unique project category summary AND,
- Photos emphasizing specific details of the 2nd category

WACA reserves the right to accept or deny 2nd category entries if it does not meet eligibility requirements.

ENTRIES ARE ONLY ACCEPTED ONLINE AT
www.WashingtonConcrete.org/EICawards
