

Low Carbon Concrete Symposium

Addressing Embodied Carbon in the Built Environment

Two uniquely curated days for you and your staff.

Attend an individual day or participate in both.

18 Wednesday: Producer and Supplier Discussions

JUN 25

Wednesday's meetings provide an excellent time to meet with WSDOT and discuss recycled concrete aggregate alongside local permitting experts. During these meetings, you will gain insights into Washington's E-ticketing status and the next steps with Haul Hub. You will also be able to express your concerns in an open forum and gain further insights into permitting and site plan management!

Who should attend?

- Ready-mix producers and material suppliers.
- Individuals eager to learn about RCA and its increasing use.
- Staff involved in or supplying WSDOT projects.
- Companies experiencing permitting challenges

From 10:00 AM - 5:00 PM

19 Thursday: Building Holistically, Using Resources Effectively, and Telling Our Story

JUN 25

Continues our established dialogue on better positioning our industry by advocating for full lifecycle analysis, accurate EPD reporting, and industry support while learning how to weave these elements into a compelling narrative for our sector! Join us to discuss innovations, solutions, and resources with Industry experts alongside city, county, and legislative officials.

Keynote speaker, **Anthony Huey**, CSP, will unify these concepts and demonstrate how to present factual data in a memorable way so that nothing is lost in translation!

Anthony Huey, CSP,
President, Reputation
Management, LLC

Who should attend?

- Ready-mix producers and material suppliers.
- Those seeking to convey the story of our industry effectively.
- Individuals who are concerned about the life cycle analysis of our materials.
- Stakeholders who want insight into decarbonization progress.

From 6:30 AM - 3:30 PM

Cedarbrook Lodge
18525 36th Ave S.,
Seattle, WA 98188

Wednesday - Thursday
June 18 - 19, 2025

Low Carbon Concrete Symposium

Addressing Embodied Carbon in the Built Environment

Agenda and Speakers' List

18
JUN 25

Wednesday: Producer and Supplier Discussions

10:00 am - 12:00 pm Registration | *Reflections Gallery*

12:00 pm - 1:00 pm Lunch | *Tamarack Hall- lower level*

1:00 pm - 2:00 pm *Summit*

The Science and Benefits of Colloidal Silica Admixtures, Robert Cavaliero

2:00 pm - 2:45 pm *Summit*

Aggregate & Producer Open Forum and Discussion with MSHA and Others

2:45 pm - 3:00 pm Break | *Reflections Gallery*

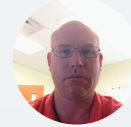

3:00 pm - 3:45 pm *Summit*

Ready-Mixed Producers/Supplier Round Table with WSDOT & HaulHub

3:45 pm - 4:45 pm *Summit*

Guided RCA & Permitting Workshop - Guest Lecturer, Logan Davidson, MBA, Owner, Geographic Solutions

Kevin Abel
Asst. Dist Mgr.
MSHA

Robert Cavaliero,
Dir. of Business
Development, E5 Inc.

Brandon Hundley
VP Strategic Partnerships
HaulHub

Ryan Zakerski
Transportation Technical
Engineer, WSDOT

Logan Davidson, MBA
Owner, Geographic Solutions

Placer Day Event

Practical Experience

Interactive Workshop

20 Friday: Effectively Placing & Handling 1L Cement and Other JUN 25 Supplementary Cementitious Materials (SCMs)

Key Learning Objectives:

Proper use of 1L SCM blends

Understanding benefits and applications

Best Practices

Address **common misconceptions**

Discussion Topics:

Real concerns using SCM blends

Challenges contractors face

Solutions and strategies

Types of **admixtures**

Placer Day begins at 630 AM, at Cedarbrook Lodge,
18525 36th Avenue S., Seattle, WA 98188

6:30 am - 7:00 am	Registration <i>Reflections Gallery</i>
7:00 am - 8:00 am	Breakfast <i>Tamarack Hall- lower level</i>
8:00 am - 9:00 am	<i>Summit</i>

Placer Event Walkthrough - Attendees will have an opportunity to work with SCM Materials and discuss BMPs

9:00 am - 10:00 am	Travel from Cedarbrook Lodge to the Placer Event hands on location, Cement Masons Local 528, 6737 Corson Avenue South, Seattle, WA 98108
10:00 am- Finish	<i>Cement Masons Local 528</i>
11:30 am - 1:30 pm	<i>Nacho Rio food truck available for on-your-own lunch</i>

Cement Masons Local 528
6737 Corson Ave S. Bldg. D, Seattle
Transportation from Cedarbrook Lodge to
Local 528 will not be provided
**Nacho Rio food truck, available for
on-your-own lunch.**
